Avante Care & Support is a registered charity providing personalised residential care, home care and wellbeing support services

Avante Care & Support is proud to be a well established not for profit organisation, with an experienced and committed workforce, looking to make a difference through the care and support offered to individuals who choose our services.

Avante Care & Support provides care to over 1000 people. In our care homes we deliver specialist residential dementia and nursing services, including day care and short term

respite breaks. Our home care teams provide a range of wellbeing support services, enabling individuals to maintain independent lives in the comfort of their own home.

Our vision is 'Communities where everyone has a vibrant and fulfilling life'. Our experienced and dedicated care teams spend time getting to know each individual. We ensure the most suitable care and wellbeing support is given that is unique to their needs and requirements.

WHO WE ARE

Amherst Court is clean, safe, visitor-friendly and good for stimulation due to regular activities. It has been a relief to find such a happy home.

We ensure our care teams are able to provide professional and compassionate care and support, to both residents and their loved ones.

We provide specialist dementia care in all of our care homes and understand the specific challenges faced by people living with dementia.

Amherst Court Care Home is situated in the historic town of Chatham, Kent

At Amherst Court we work to create a welcoming atmosphere in which residents enjoy activities, go on outings and make friends with other residents and staff.

At the heart of our home is our Philosophy of Care, the Eden Alternative, where staff encourage social interaction, engagement and work towards the eradication of loneliness and boredom.

Our home provides a safe, warm and friendly environment with 24-hour care and support

provided for people living with dementia. The team of qualified and attentive staff focus on the individual needs of the residents and their wellbeing.

The modern design provides well equipped, bright en-suite bedrooms to support person centred care. The names of the suites follow a nautical theme - Charlotte, Trafalgar, Valiant and Apollo.

Our Philosophy of Care

The Eden Alternative

The challenges

After a long and active life, older people are often called to face new challenges around loneliness, feelings of helplessness and boredom.

How we can help

At Avante Care and Support, our philosophy of care, the Eden Alternative, enables older people to meet these challenges.

We overcome loneliness by regular contact with nature, animals and people in the community.

We overcome helplessness by providing the opportunity to give as well as receive care.

We overcome boredom with variety and spontaneity.

At Avante Care & Support we believe

Meaningful activities are essential to human health and wellbeing.

Age should not be a barrier to personal growth and learning.

The views of people or their advocates must inform decision making that affects their lives.

Understanding the type of care you need is an important first step in finding a care home that is right for you

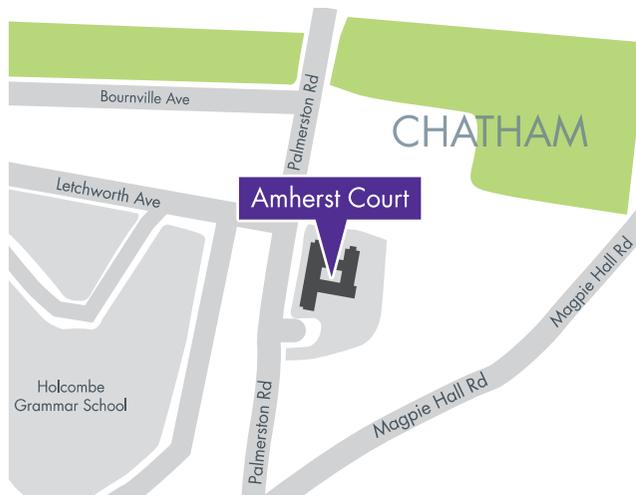

Searching for a care home is not something any of us do every day. Often it can be quite stressful for all involved.

We are here to provide guidance, whether one of our homes is right for you or not. With this in mind we have plenty of useful information you can access to help you with making the right choice.

You can find lots of helpful information on finding the right care home on our website www.avantecare.org.uk.

We have an open door policy across all of our homes. You are welcome to visit at any time and see what care is provided. Our staff are there to assist with any questions you may have.
