'Everyone Matters'

Avante Care & Support is a registered charity providing personalised residential care, home care and wellbeing support services.

Avante Care & Support is proud to be a well established not for profit organisation, with an experienced and committed workforce, looking to make a difference through the care and support offered to individuals who choose our services.

Avante Care & Support provides care to over 1000 people. In our care homes we deliver specialist residential dementia and nursing services, including day care and short term respite breaks. Our home care teams provide

a range of wellbeing support services, enabling individuals to maintain independent lives in the comfort of their own home.

Our vision is 'Communities where everyone has a vibrant and fulfilling life'. Our experienced and dedicated care teams spend time getting to know each individual. We ensure the most suitable care and wellbeing support is given that is unique to their needs and requirements.

WHO WE ARE

"Mum has only been here for a month and we have found the staff excellent and very understanding. Everyone is so helpful and kind, not only easing Mum in, but also putting the family at ease."

Parkview is located in Bexleyheath in the London Borough of Bexley

Parkview is a popular home and is well supported by the local Bexley community. The home has a welcoming atmosphere and residents can enjoy activities, go on outings and make friends with other residents and staff.

At the heart of Parkview is our Philosophy of Care, the Eden Alternative, where staff encourage social interaction, engagement and work towards the eradication of loneliness and boredom.

24-hour care and support is provided for people living with dementia, where our team of qualified and attentive staff focus on the individual needs of the residents.

The home offers a variety of brightly decorated lounges and dining rooms. The dining experience is an important part of life at Parkview. The experienced catering staff prepare fresh meals throughout the day that are nutritious and cater to the dietary and cultural needs of the residents.

Our Philosophy of Care

The Eden Alternative

The challenges

After a long and active life, older people are often called to face new challenges around loneliness, feelings of helplessness and boredom.

How we can help

At Avante Care and Support, our philosophy of care, the Eden Alternative, enables older people to meet these challenges.

We overcome loneliness by regular contact with nature, animals and people in the community.

We overcome helplessness by providing the opportunity to give as well as receive care.

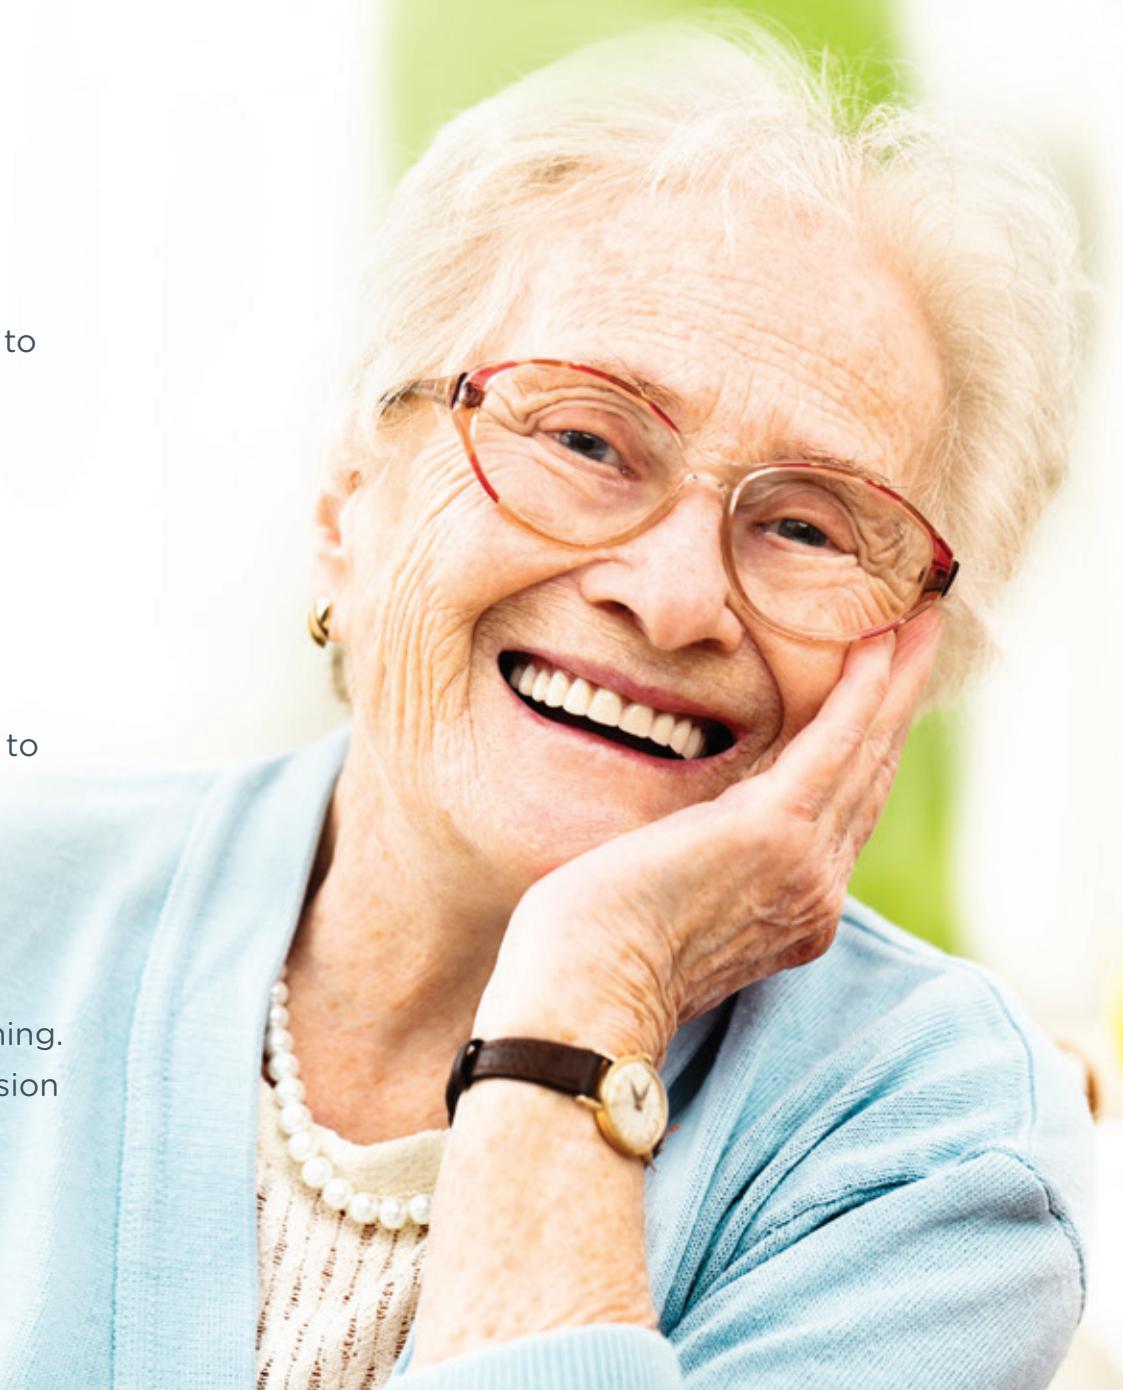

We overcome boredom with variety and spontaneity.

At Avante Care & Support we believe

Meaningful activities are essential to human health and wellbeing.

Age should not be a barrier to personal growth and learning.

The views of people or their advocates must inform decision making that affects their lives.

Understanding the type of care you need is an important first step in finding a care home that is right for you.

Searching for a care home is not something any of us do every day. Often it can be quite stressful for all involved.

We are here to provide guidance, whether one of our homes is right for you or not. With this in mind we have plenty of useful information you can access to help you with making the right choice.

You can find lots of helpful information on finding the right care home on our website www.avantecare.org.uk.

We have an open door policy across all of our homes. You are welcome to visit at any time and see what care is provided. Our staff are there to assist with any questions you may have.
